

Dog Park Rules

1. You must check in at the front desk before entering the park
2. All dogs must be up to date on vaccinations (Bordetella, Rabies and DHPP)
3. All dogs must remain on a leash when entering and exiting the building. You may remove the leash once your dog is safely inside the park fence. Please keep your leash with you in order to recall and remove your dog quickly in case of an emergency
4. Please do not bring food into the park. There will be fresh water for your dog to drink, and you are welcome to bring your own drink (non-alcoholic) with you!
5. No prong or e-collars allowed in the park – your dog must wear a quick release collar or none at all
6. Please pick up your dog's waste and dispose of it in one of the containers in the park. If you are unable to clean it up, please alert a staff member for help
7. Your dog must remain in your line of sight during your time in the park
8. If your dog is showing signs of illness or has diarrhea, please refrain from coming to the park until they are better
9. No children under 8 years old are allowed in the park. You must be 16 or older to bring a dog into the park. If you are under 16 years old, you must be with an adult
10. Dogs younger than 6 months old are not permitted in the general park area. We will have special 'puppy power hours' that are just for impressionable puppies
11. We reserve the right to ask you to leave the park if your dog is showing aggressive behavior
12. We reserve the right to limit your time in the park to 1 hour during peak times
13. If you happen to witness a dog fight in the park, please recall your dog, put a leash on them and move away to allow our trained staff to quickly and safely handle the situation
14. Respect other park members and their dogs and have fun!
